

# THE PEACE INDEX

We are a youth & expert-led NGO **solving the Israeli-Palestinian conflict** by developing insights and funding peace organizations.

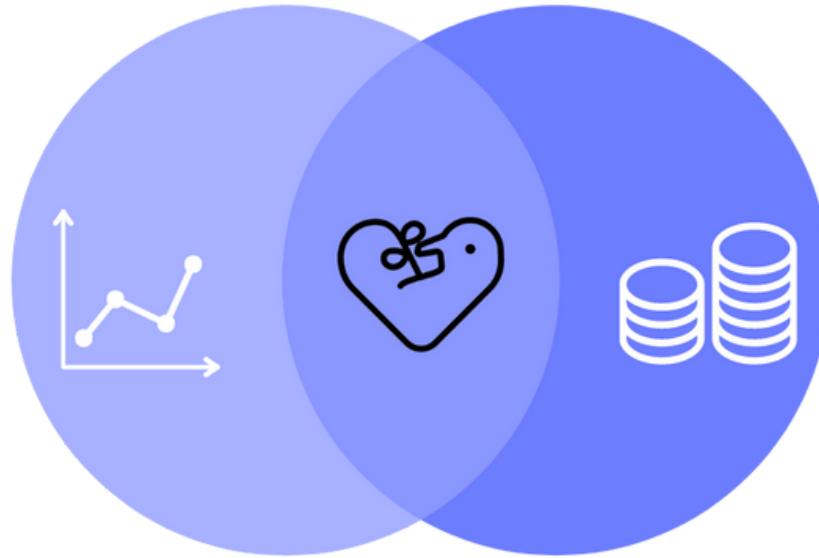

# FUNDAMENTAL PROBLEMS

The organizations are using the right solutions, but haven't been able to use their potential.

**Conflicts start at grassroots and are solved in the grassroots**

# SOLVING THE CONFLICT

## **Index**

Mapping conflict, developing intelligence and tracking progress, all done at the grassroots.

## **Fund**

Creating access to funding, supporting the right actions and scaling thousands of people to millions

"We believe in a **sustainable future, without politically induced violence, that leaves no one behind.**"

### **Trust**

Believing in human cooperation potential

### **Fairness**

Doing the right thing no matter what

### **Strategic thinking**

Acting towards calculated goals
